

QUESTIONS YOU NEED TO ASK YOUR CONTRACTOR **BEFORE** SIGNING A CONTRACT

- What's included/excluded in the bid?
- How long have you been in business?
- Who owns your business, and for how long have they owned it?
- How local is your business?
- What past customers can I talk to?
- When would you be able to schedule my job?
- Who will be on-site and how is the job supervised?
- How long will my project take?
- How will change orders be approved?
- Do you have proper licensing and certification? Insurance?
- Is a building permit required for my project and, if so, will you be pulling one?
- Will you provide me written warranties both for your workmanship and the product you will be installing?
